EXEMPTION DECLARATION

In accordance with Resolution NS 3195, of the City of Hermosa Beach, which implements the California Environmental Quality Act of 1970 in Hermosa Beach, the Community Development Offices must make a Preliminary Environmental Review of all public and private activities proposed to be undertaken within the City. This declaration is documentation of that review and, if it becomes final, no further environmental review for this project shall be required.

FINDING OF ENVIRONMENTAL PLANNING COORDINATOR

I have undertaken and completed a Preliminary Environmental Assessment of the proposed activity in accordance within Resolution NS 3195 of the City of Hermosa Beach, and find that this activity does not require further environmental assessment because:

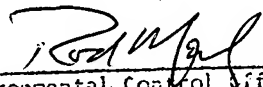

☒ The project is discretionary in nature but categorically exempt from the California Environmental Quality Act by Resolution NS 3195.

☒ a. Less than 50% increase in square footage.

☐ b. Replaces existing structure with no increase in coverage.

☐ Other _____

NEGATIVE DECLARATION

In accordance with Resolution NS 3195, of the City of Hermosa Beach, which implements the California Environmental Quality Act of 1970 in Hermosa Beach, the Board of Zoning Adjustments must make an Environmental Review of all public and private projects proposed to be undertaken within the City, which are subject to the California Environmental Quality Act. This declaration is documentation of the review and, if it becomes final, no comprehensive Environmental Impact Report is required for this project.

FINDING OF BOARD OF ZONING ADJUSTMENTS

We have undertaken and completed an Environmental Impact Review of this proposed project in accordance with Resolution NS 3195, of the City Council of the City of Hermosa Beach, and find that this project does not require a comprehensive Environmental Impact Report because it would not have a significant effect on the environment. Documentation supporting this finding is on file in the Community Development Offices.

Project Description: Second story room addition

Project Location: 1202 20th Place

Project presents a second story addition primarily featuring Spanish stucco siding which will closely match the color of the existing adobe siding on the ground floor. A sun deck will be visible from the north elevation, 20th Place, as well as the 42" high wooden railing surrounding the sun deck directly north of the proposed bedroom addition. Glass sliding doors will provide entry to bedroom area from sun deck. The roof will be rock material, and a chimney will be installed to accompany the existing fireplace on the first floor.
